

PHIFER PetScreen®

Seven Times Stronger Than Standard Insect Screening

PET-RESISTANT INSECT SCREENING

Black

Grey

Specifications

■ Phifer PetScreen, pet-resistant insect screening, is tear and puncture-resistant to prevent damage by dogs and cats. Ideal for use in high-traffic areas, PetScreen installs like regular insect screening. PetScreen is excellent for use in patio and porch enclosures as well as windows and doors. PetScreen provides excellent outward visibility and is not harmful to pets.

Before

After
